Disclaimer

Terms of Use

This agreement is entered into by and between you and the Konrad-Zuse-Zentrum für Informationstechnik Berlin (ZIB) regarding your use of any services provided by ZIB within the I3HP Transnational Access to Research Infrastructure activity. By using the services, you are entering into this agreement with ZIB and indicating that you agree to be bound by these terms and conditions.

No Warranty

ZIB offers a state-of-the-art mass storage system for Transnational Access and will do its best concerning data safety and security (e.g. regular backups, physical safety of

the storage media in a Lampertz-room, adequate access restriction, etc.). Nevertheless, ZIB cannot and will not guarantee any failure-free services. Services are provided “as is” with no warranty of any kind and you use them at your own risk. ZIB expressly disclaims any warranty regarding the services. Under no circumstances will ZIB be liable to you for any direct or indirect damage (e.g. data loss or temporary unavailability of service, etc.) arising from using the services whether or not you have been advised of the possibility of such damages.

Guidelines for Application

1) Group Leader

In case of more researchers, the Group Leader is the person in charge of coordinating the Project Application for all participants. For the Legal Status of Home Institution, Home Institution Country and Position, use only the code specified in the footnotes (1, 2 and 3).

2) Group Researchers

Since these data have to be submitted to EC offices to obtain their approval, the list of names must be precise. Home Institution should be specified for each researcher only if different from Group Leader Home Institution (see also - **Who can apply**).

3) Project Title

Indicate the title of the project. Use no more than 255 characters.

4) Duration of the Project

Indicate the time needed to carry out the proposed project at ZIB.

5) Curriculum Vitae of the Group Leader and a short description...

Attach CV of the Group Leader and describe the latest research activity you and/or your group carried out.

6) Description (max. 3 pages) of the project ...

Describe with sufficient details the scientific and technical aspects of the project. Underline the goal of your project and the specific relevance of your proposal. Add references if necessary.

7) Comments

Add any comment you think might be helpful to the User Selection Panel (USP) for the evaluation of your proposal.

Any additional request of information can be addressed to: stueben@zib.de
